

2025 Concession Stand Contract

Concession Stand Shift Requirement and Deposit Policy

As part of our league's commitment to maintaining a successful and enjoyable experience for all participants, every family is required to work two (2) scheduled concession stand shifts each year. These shifts are essential for the operation of the league and to keep registration fees affordable for all.

Failure to fulfill this obligation may result in the following consequences:

Probation List for the Following Year: If you do not work your assigned two (2) concession stand shifts during the current season, your child will be placed on the probation list for the following year's registration. This means your child will not be guaranteed a spot in the league the next season.

\$250 Deposit: If you fail to work your 2 shifts for the 2025 season a \$250 deposit will be required for the 2026 registration. This deposit will be refunded after you work the two (2) shifts from the previous year, in addition to the two (2) shifts for the upcoming year. If you fail to complete these shifts, the deposit will not be refunded, and your child will not be eligible to play the following year.

Consequences of Non-Compliance: If you do not work the required two (2) shifts during the second year, your child will not be allowed to participate in the league the following season. This is to ensure fairness and that all families contribute to the operation of the league.

We appreciate your understanding and cooperation in making this program a success for all involved.
